

PETITION

We, the undersigned, seek to promote the cultural life of Mt. Pleasant by supporting live entertainment including live music, karaoke, poetry readings, dancing and other forms of artistic expression. We oppose existing Voluntary Agreements (VA) that are unduly restrictive and prohibit Mt. Pleasant restaurants licensed to serve alcohol from having live entertainment. These VA's have hurt our neighborhood, and the businesses that serve our community. By signing this Petition, we acknowledge and endorse the VA put forth by Hear Mt. Pleasant. The Hear Mt. Pleasant VA treats Mt. Pleasant restaurants licensed to serve alcohol as responsible businesses and permits them to offer live entertainment without being unduly restrictive. We believe that the Hear Mt. Pleasant VA serves the best interests of our diverse and culturally rich neighborhood.
